

**Offer Extended until Dec 31st 2008**

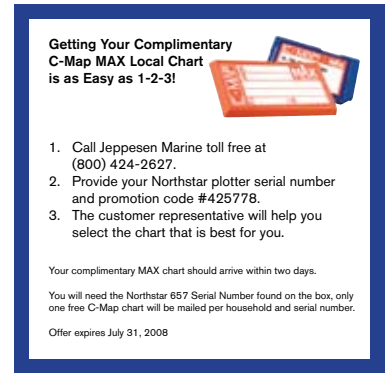

## COMPLIMENTARY CHART PROMOTION

**Northstar Explorer 657**

**C-Map MAX Local**

**Box Label**

### Limited-Time Promotion Offered on Northstar Explorer 657 Sonar/Chartplotter Purchases

Northstar, a leader in the design and manufacture of world-class marine navigation systems, announced today a free limited-time promotion for its Explorer 657 combination sonar/chartplotter unit.

Individuals who purchase the device from an authorized Northstar dealer between May 27 and December 31, 2008 will receive a free local C-Map MAX Local electronic chart. A \$99 value, the C-MAP MAX Local chart will be received within two days after calling the dedicated promotional hot line.

C-Map Chart Hot Line 800-424-2627

Offering a wealth of navigation data, C-MAP MAX state-of-the-art cartography is perfect for cruising, fishing, sailing and exploring local waters.

Each unit supplied during the promotion period will include a box label promoting the chart offer, with instructions on how to obtain the chart. The customer simply calls the C-Map hot line number with the serial number of the unit and quote a code from the box label. Only labeled units will be eligible for the offer through serial number tracking. One chart per address and serial number.

Offer extended and valid until December 31, 2008

Eligible for all Authorized Dealers and Distributors in USA and Canada

Only units supplied during the promotion period will include the free chart promotion label
